A Giving Experience Rooted in Community: Join the 2026 Together For Good Cohort
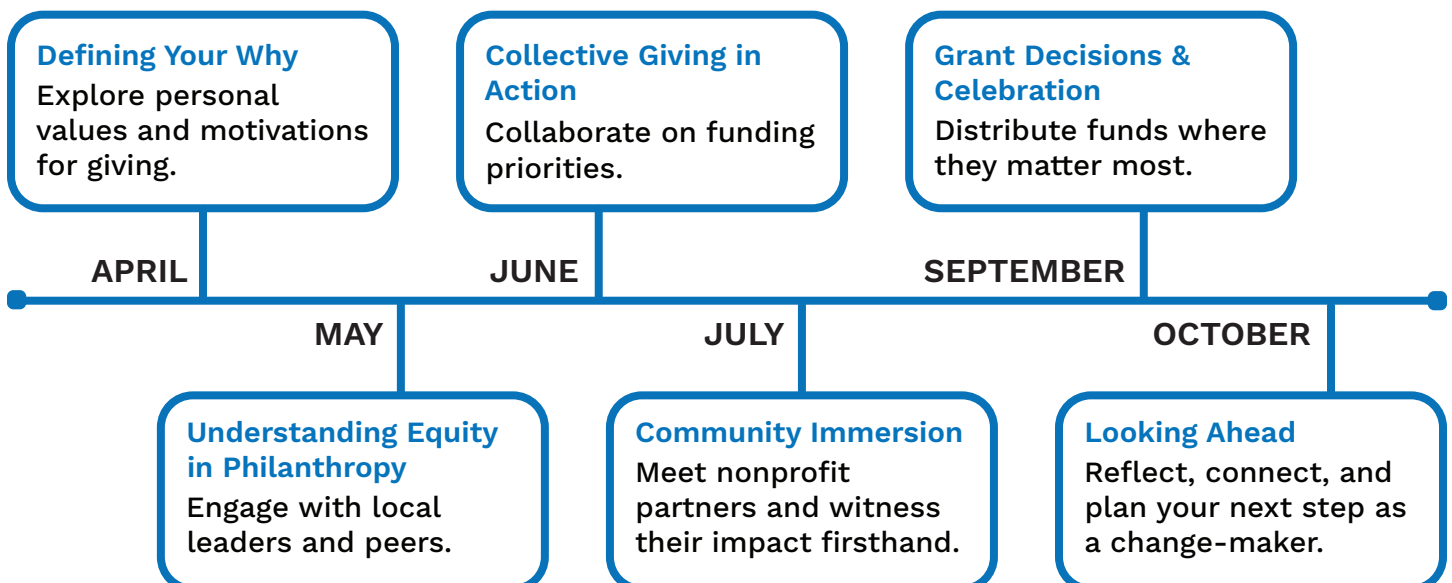

Hosted by Social Venture Partners

Deepen Your Giving. Expand Your Impact. Grow in Community.

The word philanthropy comes from the Greek for "love of humanity." But what does that mean to you — personally? **Together for Good** is a six-month experience for those ready to explore that question and reimagine what philanthropy can look like when done together.

Throughout the program, you'll learn how to align your values with your giving, increase your impact, and engage with local organizations advancing social justice, youth initiatives, and trust-based philanthropy. You'll connect with fellow cohort members, seasoned SVP Partners, and nonprofit leaders who are shaping change across our community.

What You'll Gain:

- **Clarity of Purpose** – Explore your personal motivations and what drives your giving.
- **Collective Impact** – Collaborate with peers to direct real grants through shared decision-making.
- **Hands-On Learning** – Gain insight into local nonprofits and social justice efforts.
- **Community and Connection** – Build authentic relationships with changemakers who share your commitment to do good differently
